

Celebration Word Sprint

PLAYER PAGE 1 | One answer per row | 4 minutes | Maximum 8 points

Name or pair: _____ Score: ____ / 8

Write one English word or short phrase that starts with the given letter and fits the category. Use a different answer for each row. No phones or reference lists. The host accepts sensible alternatives; matching another player is fine.

Letter	Category	Your answer
C	Something you could set on a dining table	_____
R	Something used to wrap or decorate a gift	_____
G	A place where people could gather	_____
L	A drink that can be served without alcohol	_____
D	The name of a flower	_____
B	A dessert or sweet baked treat	_____
S	A word connected with music	_____
H	A positive quality you could wish for someone	_____

Stop when the host calls time. One point per valid answer. Highest score wins; tied highest scores share the win. Playing or sharing your answers is optional.

Four Guests, Four Contributions

PLAYER PAGE 2 | A fictional planning puzzle | 6 minutes | Maximum 8 points

Name or pair: _____ Score: ____ / 8

Iris, June, Noor and Tess each arrive once and bring one different contribution. Each time and each item below is used exactly once. Find every person's arrival time and contribution.

Times: 1:10 p.m., 1:20 p.m., 1:30 p.m., 1:40 p.m.

Contributions: Flowers, Cups, Napkins, Plates

- 1. Tess brings the flowers.
- 2. Iris arrives at 1:20 p.m.
- 3. The cups arrive exactly 10 minutes before the napkins.
- 4. The flowers arrive before the cups.
- 5. The plates arrive at 1:40 p.m.
- 6. June arrives later than Noor.

Person	Arrival time	Contribution
Iris	_____	_____
June	_____	_____
Noor	_____	_____
Tess	_____	_____

One point for each correct time and one for each correct contribution. Highest score wins; tied highest scores share the win. Work without the host answer file.

The Ten-Item Memory Tray

PLAYER PAGE 3 | 45 seconds to view, then 2 minutes to recall | Maximum 10 points

Name or pair: _____ Score: ____ / 10

Keep this page face down during the viewing time. Look at the host's ten-item display and listen as the labels are read. Do not write or take a photo. After the host hides every display, turn this sheet over and list up to ten different items from memory.

- | | |
|----------|-----------|
| 1. _____ | 6. _____ |
| 2. _____ | 7. _____ |
| 3. _____ | 8. _____ |
| 4. _____ | 9. _____ |
| 5. _____ | 10. _____ |

Write one item per line. Only the first item on each of the ten lines is scored. One point for each different correct item, in any order; repeats earn zero. Color and exact wording are not required. Tied highest scores share the win.
